Our family comes from a non-mandarin speaking background. Since Ivy started schooling at MY World @ Simei 4 years ago, her Chinese language has improved tremendously, she can now speak and sing fluently. Ivy shows great interest in learning Chinese, she will share with me what she learns in school and even teach me how to pronounce the Chinese words. I can see how she enjoys listening to Chinese music. She even tries to write the lyrics of the simple songs that she likes. Dancing to Chinese songs has also become one of Ivy's and her sister's favourite activities at home.

我们家的日常交流用语并不是华语，但是自从4年前 Ivy 来到 MY World @ Simei 学习后，她的华语水平有了显著的提高。现在她可以用华语流利地讲话和唱歌。她对华语学习有着浓厚的兴趣，不仅跟我分享在学校学到的知识，而且还教我华语的正确发音。我发现她非常喜欢听华语歌曲，也会尝试写出一些喜欢听的简单华语歌曲的歌词。与此同时，边听华语歌曲边跳舞已经是 Ivy 和她妹妹在家里最喜欢做的事情了。

“

我们家一直以来都跟政钧说英语，只有爷爷和奶奶会跟政钧说华语，所以政钧对华语的掌握情况不是很好。但是，自从他到 MY World @ Simei 上学后，他的华语能力明显提升了很多。我非常感谢 MY World @ Simei 的老师们对我儿子的教导。

Our family communicates mainly in English with Zackery, except his grandpa and grandma who speak Mandarin to him. As such, Zackery's mastery of the Chinese language is not very good. However, since he came to MY World @ Simei, his Chinese proficiency level has obviously improved. I am very grateful to the teachers of MY World @ Simei for nurturing my son.
